Supply List 2020-2021

In order to simplify the ordering process of school supplies for next school year, we will once again be offering pre-packaged school supplies from Bright School Kit. If you do not wish to order pre-packaged school supplies, please refer to the list below when school shopping. The teachers have determined the specific sizes, styles and/or brands that are needed to meet the needs of the classroom throughout the year. Therefore, please buy only the brands and specific size and color listed on the supply list. If you have difficulty finding or understanding the request, contact the school office during the summer.
